-Pharaoh-
Called the ruler, he controls the whole nation of Egypt.
The pharaoh calls himself the "sun" or "child of the sun"
and is appropriate supreme ruler above ground too.
In the evening thou sleeps in the ship.
In the morning thou wakes up in the ship.
The sea is ruled by thou god.
Be that as it may, thou isn't ruled by the god...

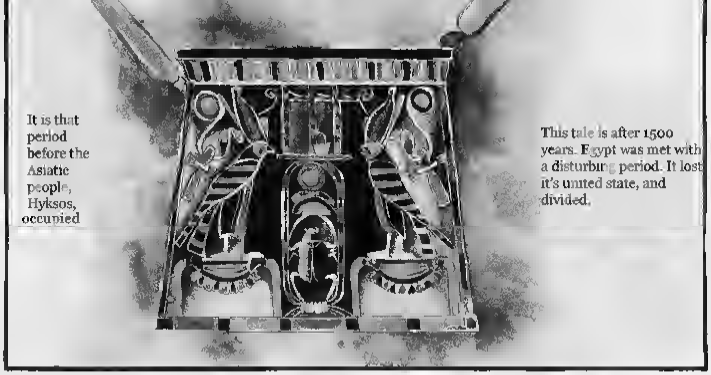
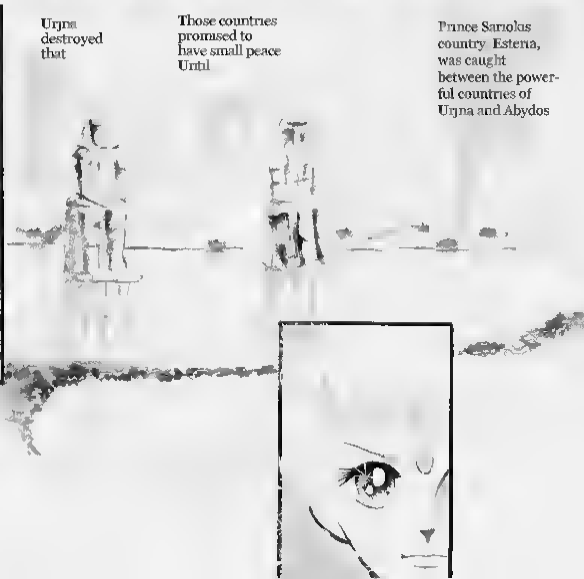
The chief of the whole country was a great king Afterwards he was called a pharaoh

*On the map the cities are where the dots are But the main text was right by the dots, so I had to put the names of the ancient egyptain cities to the left of the dots. By the way, yes the upper part of Egypt is apparently called Lower Egypt. vice versa Be sure to check out the notes at the end for more



It is that period before the Asiatic people, Hyksos, occupied
This tale is after 1500 years. Egypt was met with a disturbing period. It lost it's united state, and divided.

Or may he will repent both offense and defense to protect his territory and people.
dreamed of becoming pharaoh for Egypt-
Various feudal lords



Urjna destroyed that
Those countries promised to have small peace Until
Prince Samolus country Estena, was caught between the powerful countries of Urjna and Abydos

Urjna's first and second generations rulers grieved the lack of national power they had
The origin of Urjna is that the countries farmlands were divided into various manor powers.
It is the third ruler, Kafin, that dedicated himself to politics.
Suddenly, power started to grow steadily.
And now, that country's young boy the egotistical and whimsical ruler Snefero, took command
The country of Urjna created powerful military affairs
The border of the small country was unified
That ingenious political strength lasted during several months

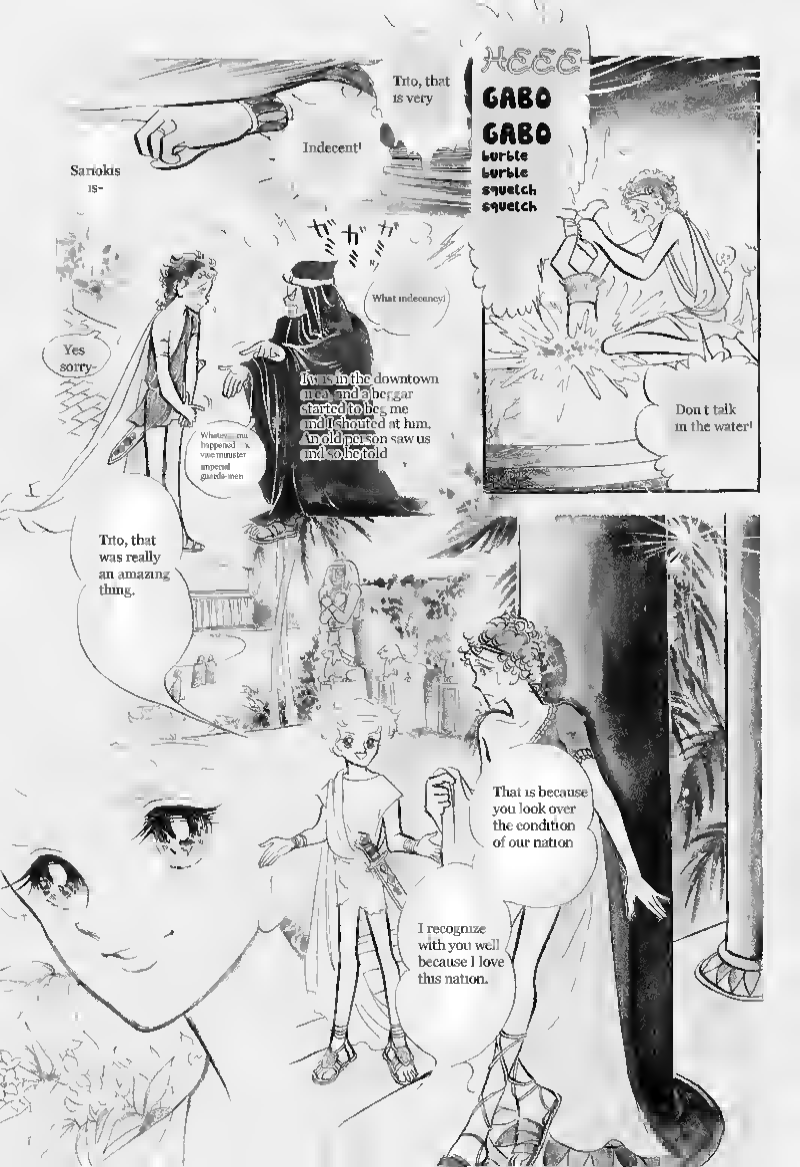
At times of battle seven gates are shut
The ramparts in every direction surround the town. It makes the town a firm fortress
If that s so, then Uryna s late king was a talented man of tactics
Give me that pot!
WELCOME~!! Don t hesitate, anyone can look! Every pot is of superior quality!
But I don t give penny discounts!

Ten years
There's no loss if you buy it! You will have it for ten years!
Hey there see it! This pot really is worth it!
O-h please that is no good

たら～
I lost-
But this pot is broken into pieces right Mister Benu Tito?
Would you clean this up?
It is a big matter.

That wont happen!
Are you making me, an adult, a fool!?
Kukukuku the prince will observe you trying your "special skill" Then he will praise you!

Hey who's that parent and child?
Common sense... common sense
Huh, parent and child? That person is too young to be a papa!
Kukuku
Your face Tito!
But your face was such an obvious lie!
The prince'll praise you and ask how you became a manager of selling stuff!
Yup yup
Your still saying that!?



Trio, that is very
Indecent!
Sariokis is-
HEEE
GABO
GABO
burble burble squelch squelch
Don't talk in the water!
What indecency!
Yes sorry
It was in the downtown area and a beggar started to beg me and I shouted at him. An old person saw us and so he told
Whatever, you happened a vase minister imperial guards-men
Trio, that was really an amazing thing.
That is because you look over the condition of our nation
I recognize with you well because I love this nation.

Is such a thing like that useful at a time like this——
At that time, Sariokis was twelve years old, and I, fifteen
Is he now inclosed to the tall ramparts inside a castle——?
Even for an instant it was mortifying to see the prince with such eyes
I saw him at his last moment
Sario is fastened to chains.
Then is it true that the Esteria's prince lives in a neighbouring state?
It's said that the village chief murdered him
That rebellious ringleader how did it turn out?
Come on

Too bad huh.....
It's a big deal to worry over.
The ringleader seemed to be a child; a young man if so.
That couldn't be the same person right?
Which reminds me. One time a man was going to cut Sneferu. But the man got whipped.
Might be a fella that opposes Urna's ruler for sure
A man who was going to cut Sneferu, and then got whipped...
Sariokis!
This moment right now! I can't move my hands and feet, like being frozen
T... Tito, you sick!? Your face is light blue!
N... No

Sario was... murdered!?
Ah...
He died? ah
No that is not right
That's not right...!!
Tito...?

Oh oh...oh, something like that couldn't have happened to Sario!
Until several months ago, we were proud of our country's prince, Sariokas
People were gathered and brands were pushed
People were tired together and whipped. My heart was torn to pieces- I couldn't ignore it!
That...What was that!!?

Wasn't the reason because everyone swore from their heart!
He was going to save us and show us help before long... without fail... without fail
Did the prince kill himself due to the excess amount of humiliation!?
But back then he would take whatever kind of humiliation.....He said, "I won't die."
I WONT BELIE VE IT !!
But he did d die
He said that!!

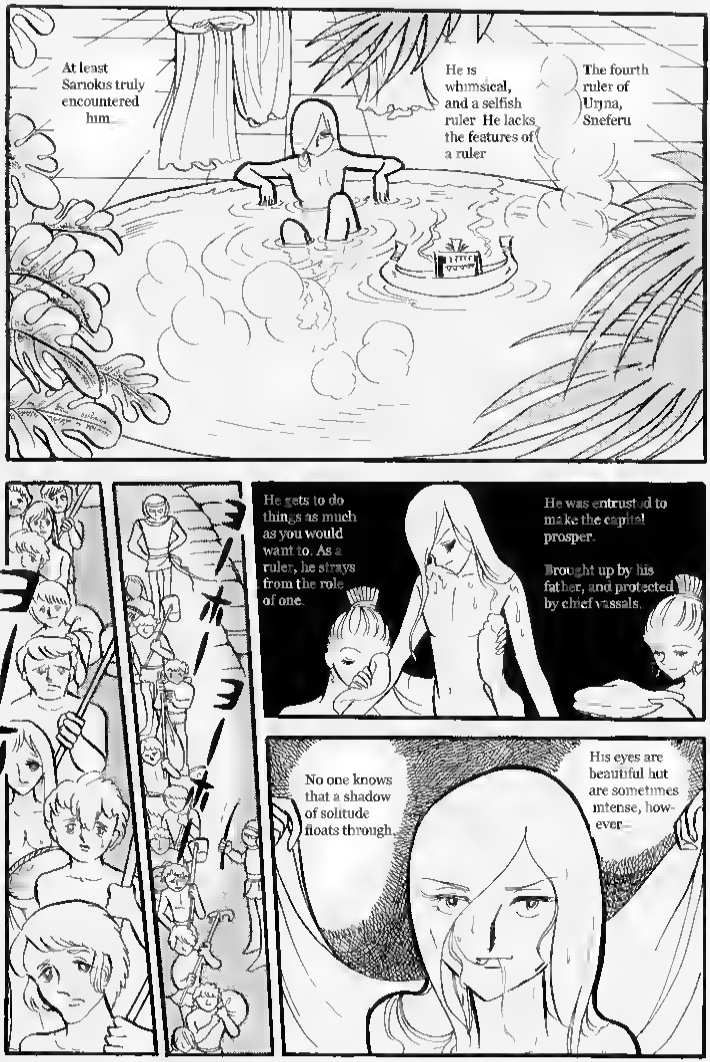
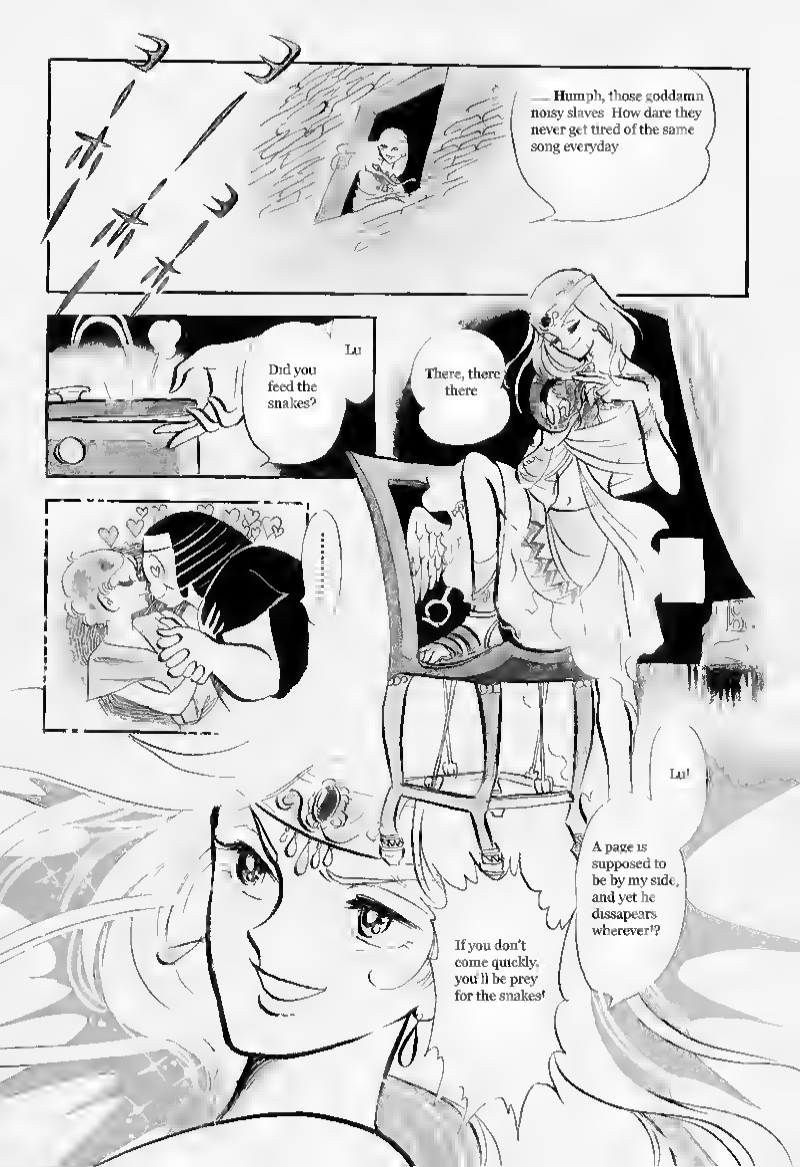
They live their life for their ruler



At least Sariokis truly encountered him...
He is whimsical, and a selfish ruler. He lacks the features of a ruler.
The fourth ruler of Urjna, Sneferu
He gets to do things as much as you would want to. As a ruler, he strays from the role of one.
He was entrusted to make the capital prosper.
Brought up by his father, and protected by chief vassals.
No one knows that a shadow of solitude floats through.
His eyes are beautiful but are sometimes intense, however—

There, there,
my dear servant!
Come now



—Humph, those goddamn noisy slaves How dare they never get tired of the same song everyday
Lu
Did you feed the snakes?
There, there there
Lu!
A page is supposed to be by my side, and yet he dissapears wherever!?
If you don't come quickly, you'll be prey for the snakes!

Oh. _!

Ye...

Ah
Oh no
I'm tick-
lish...

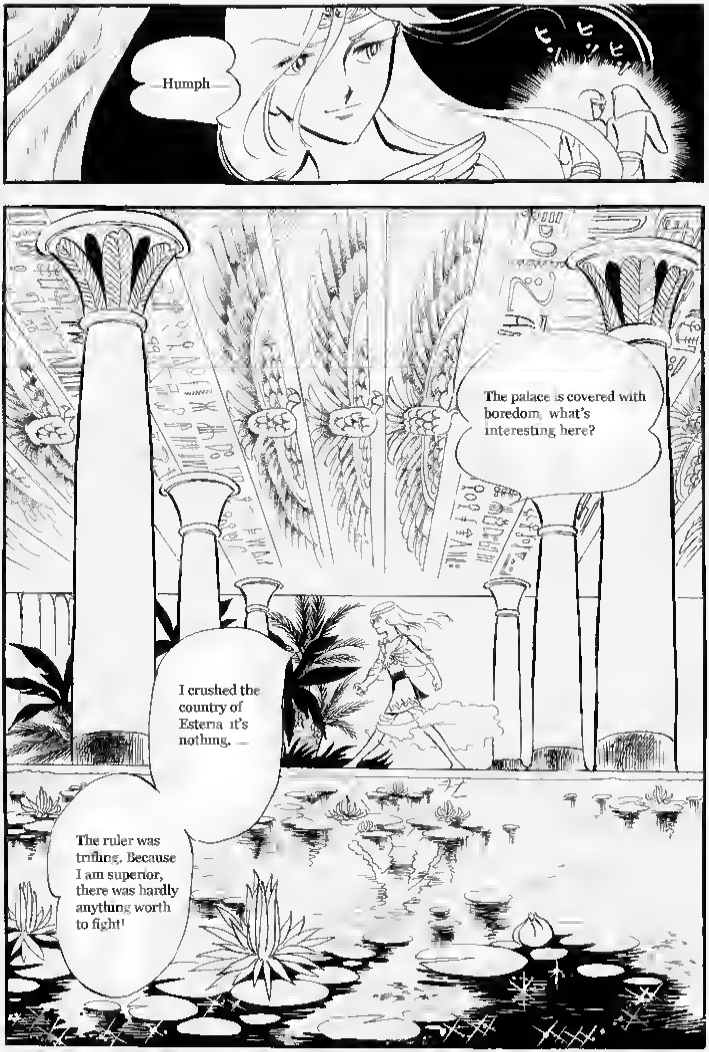
You tell a lie
Oh, please pardon me for talk and gossip
What do you need?
T... then who will it be to me will be to blame
You don't understand what I said!?
Shameless! You flirted with a minor government official!!
I did not embrace the government official We only passed through ear...
gyuu
HIIIIIt!
The reasons alone are good enough to be punished for it!
It didn't seem like it!
SMACK

GYAAA--
There, there! When you struggle, you shed nothing but blood.
Killing a liar like you, is apparently no sweat.
AAAAAH!
WAA!

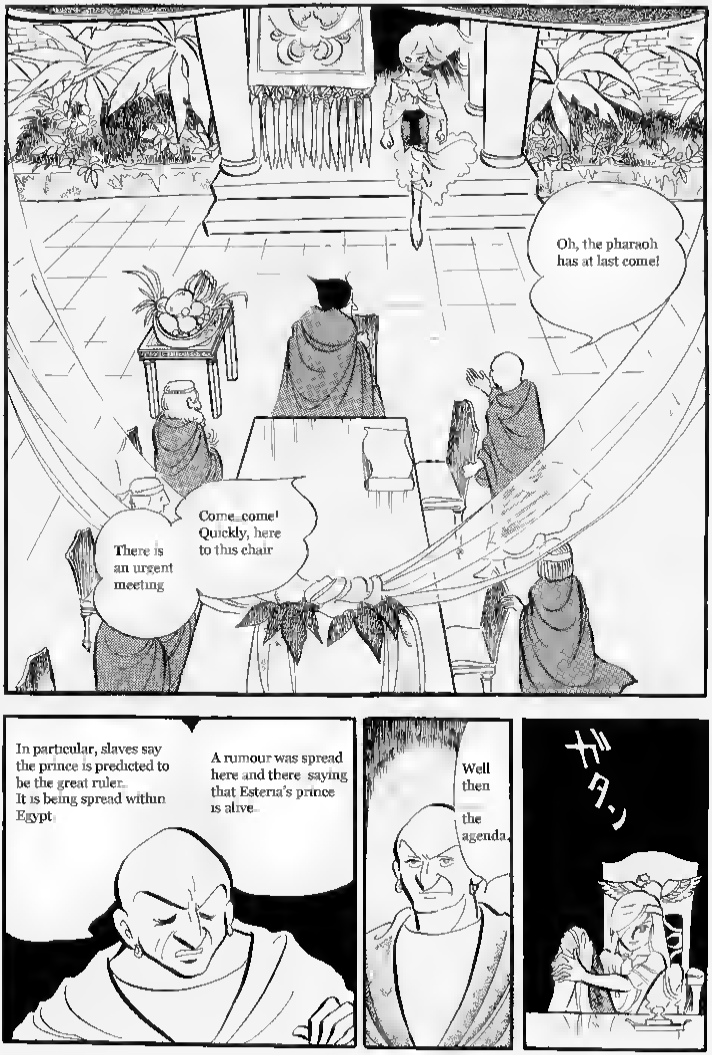
Esteria's prince!?

A rumor...of E...Esteria's prince...
I...is it true...

Stop it please! Forgive me please! Take me out-!
Relax and take a rest inside. Make friends with my snakes. hubuhu
The pharaoh must go to a meeting! The ministers have a meeting in the hall
Pharaoh, which I have respect and affection for. please pardon me!
Yes
Go look out
When I come back, the snakes will have bitten you and you'll be silent
Well, the pharaoh is amused by killing a person.
Ghastly..... Snakes to one person again...

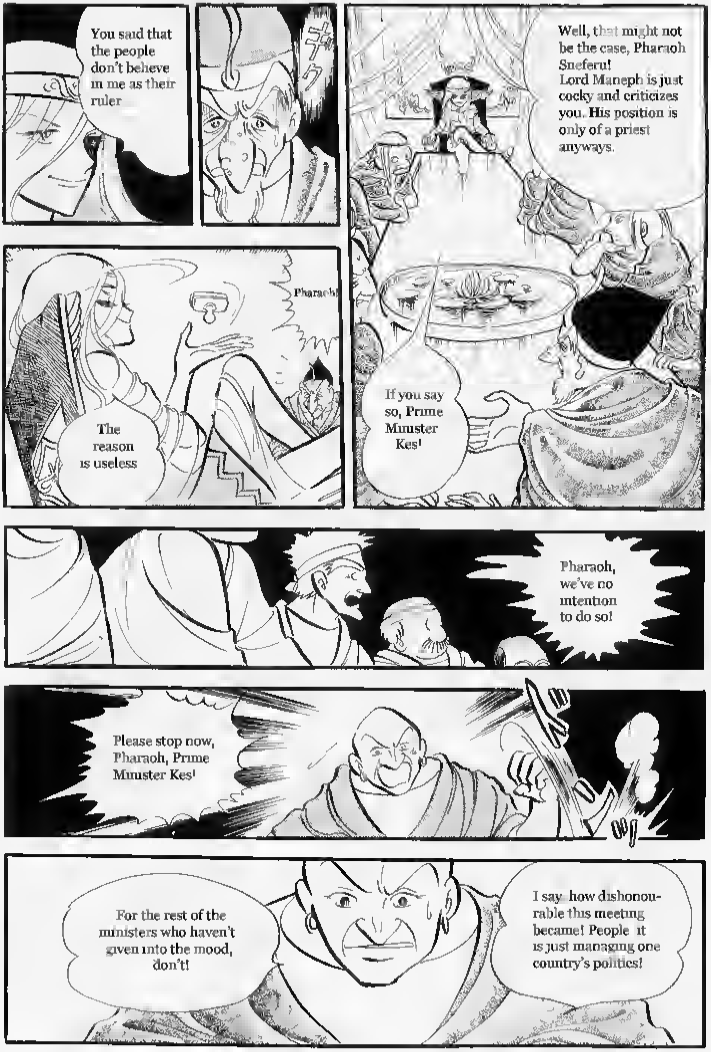


—Humph—
The palace is covered with boredom, what's interesting here?
I crushed the country of Esteria it's nothing.
The ruler was trifling. Because I am superior, there was hardly anything worth to fight!



Oh, the pharaoh has at last come!
There is an urgent meeting
Come..come! Quickly, here to this chair
In particular, slaves say the prince is predicted to be the great ruler..
It is being spread within Egypt.
A rumour was spread here and there saying that Esteria's prince is alive..
Well then the agenda.
ギタン

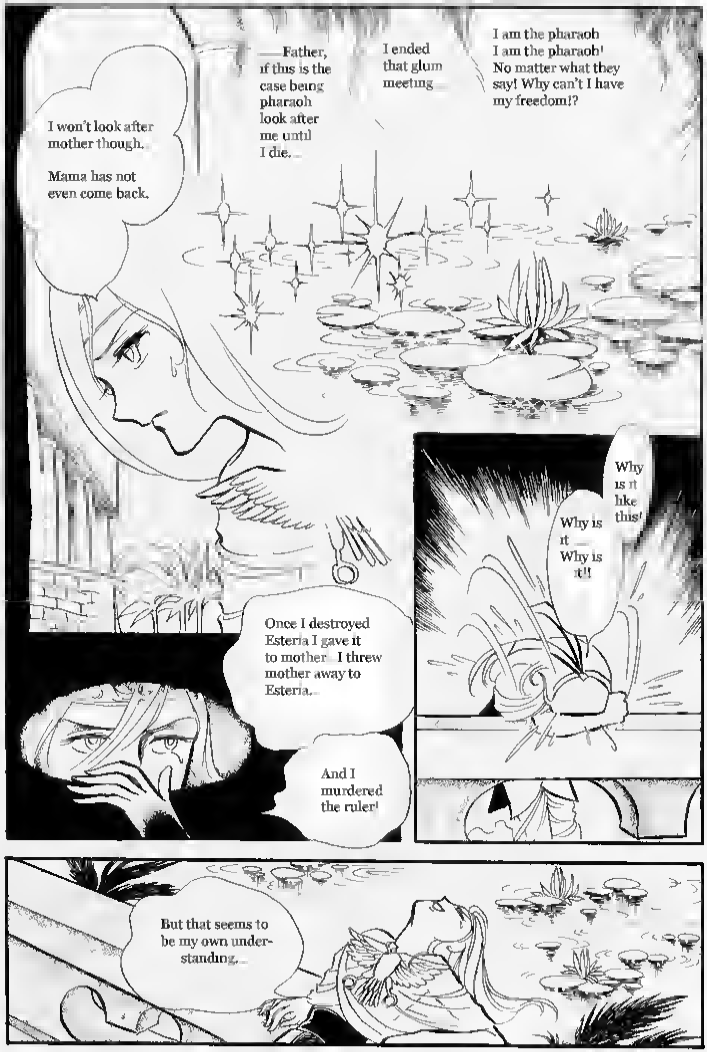
A rumour is a rumour, Lord Maneph!
But the rumour is real!
Do you believe the predictions from slaves? Lord Maneph, your bald head is light on thinking.—
There is no more of that country Now after a long time what prince!?
That clever Esterian ruler was destroyed. Now Egypt is united by Pharaoh Sneferu.
Bastard! You insult the ruler!
They do not believe in our ruler— because a ruler didn't come for them
Prime Minister but the people are now afraid Their bodies have halved because of that
So the people don't believe in me as their pharaoh?
I do not intend to insult the pharaoh, understand?



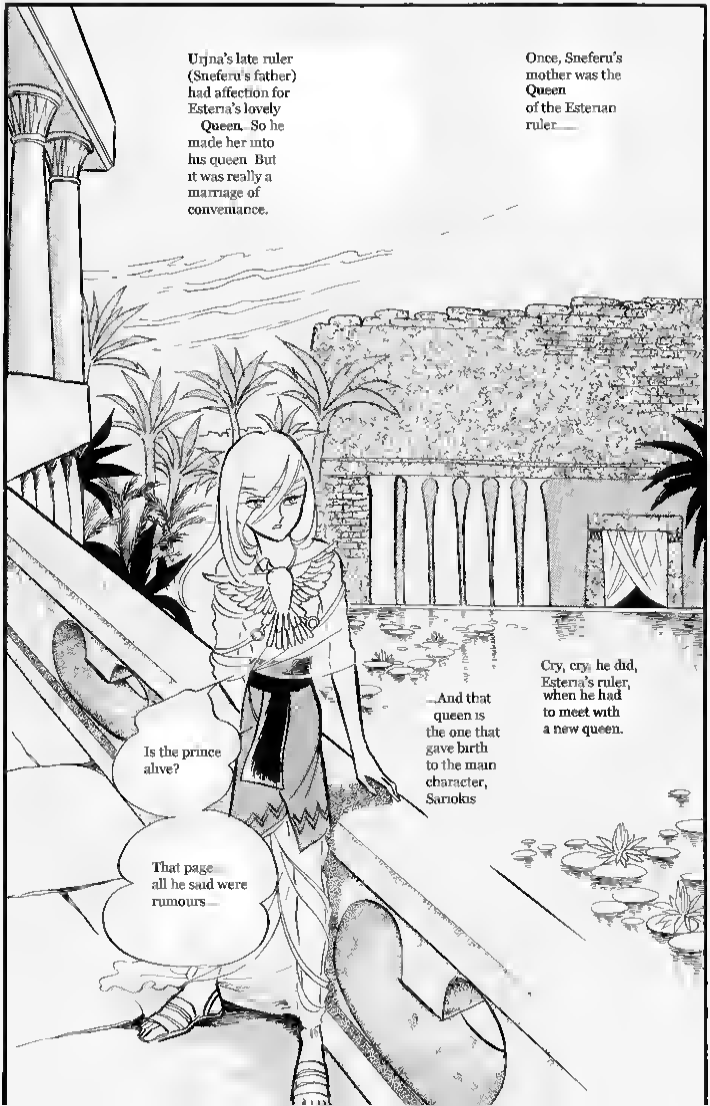
You said that the people don't believe in me as their ruler
Well, that might not be the case, Pharaoh Sneferu! Lord Maneph is just cocky and criticizes you. His position is only of a priest anyways.
Pharaoh
The reason is useless
If you say so, Prime Minister Kes!
Pharaoh, we've no intention to do so!
Please stop now, Pharaoh, Prime Minister Kes!
For the rest of the ministers who haven't given into the mood, don't!
I say how dishonourable this meeting became! People it is just managing one country's politics!

ENO
UGH
ALR
EAD
Y!
Pharaoh Sneferu, the eagle, truly united Egypt!
Therefore the rumour that says the prince is in existance must be omitted!
If he ever comes before me, I will smash him up!
Even if the prince is alive, he won't replace me as the pharaoh!!
Well, meeting is over! These meetings spoil my mood...
Hey, I said meeting is over!

Pharaoh !!
All of you should die!
Unjna uniting Egypt is not possible Unfortunately, that is the case
What a foolish ruler! He is selfish and his head only has fragments of this nation!
Everyone should die!



I won't look after mother though.
Mama has not even come back.
——Father, if this is the case being pharaoh look after me until I die.
I ended that glum meeting
I am the pharaoh I am the pharaoh! No matter what they say! Why can't I have my freedom!?
Why is it like this!
Why is it —— Why is it!!
Once I destroyed Esteria I gave it to mother. I threw mother away to Esteria.
And I murdered the ruler!
But that seems to be my own understanding.



Urjna's late ruler (Sneferu's father) had affection for Esteria's lovely Queen. So he made her into his queen. But it was really a marriage of convenience.
Once, Sneferu's mother was the Queen of the Esterian ruler.
Cry, cry, he did, Esteria's ruler, when he had to meet with a new queen.
...And that queen is the one that gave birth to the main character, Sariokis
Is the prince alive?
That page... all he said were rumours...

Are you dead yet...?
Hey, where did you hear that rumour!?
Uhh...
Pehh...
Come now. Say it. Tell me what you talked about with that minor official! I must know...
Lu...
GAHHH !!
You said that Esteria's prince is alive somewhere? Where is that prince!?
Whether the rumour is true or not, my aim is to remove it. And anybow, you have a fondness for gossip, don't you...?

Where ?
That old grandma and the young woman talk of rumours?
Y-Yes
They were brought in as slave from Esteria.. I am of the impression that the two woman were maids for the prince
And!?
That ring on the maid's finger.. It has Esteria's royal family crest on it Takes pride in wearing it..

Stand!
W-what are you doing!?
Huh !?
Hey, grandma let me talk with you for a minute.
You have seen Esteria's prince!? Don't you know the whereabouts of that prince?
Even if I said that —
Answer me!! You must know. Did he not die abroad? I must know for my benefit
This country's pharaoh was to give a serious injury to the prince. — after, the pharaoh brought him to the palace. The prince didn't die though.
In this country!?
He is not in a different country— he is in this country —
SCREECH!
Did the prince run away with a maid to a neighbouring country!?

her ring
On the way, a young maid died and her ring was in custody
She said it If that's the case then that certain someone was the prince! That is proof!
I brought him!?
This ring is Esteria's royal family's. A man from the prisoner village handed it over to me as a bribe.
I wanted to get out from the prisoner village.
But...that man assaulted me...
Ankesen gave him medical treatment.....
Out of the Esterian refugee slaves, I brought a lovely body.
But a thing like that is not important...!
Who could it be? Izaye? Or...
F...forgive me! I think Esteria's reasons were proper!

It was Esteria's prince!
Wow! What an unexpected meeting!
?
?
?
What
ku ku ku ku !
Fu fu!
Thank you for talking to me old grandma! You have my gratitude!
For all that
I now know!! That kind of gossiping is not needed You I think I feel like destroying your body!
アアアア!

To this prisoner village I will go to My hand will take care of that prince!
Fufu, I say this will be interesting!
Prince prince! Is what all of Esteria's people will say looking before you!
Lu, I want to go back to the castle. Turn the carriage around.
Lu
Ah, ah ah
Right now, pharaoh?
Shh
Everyone knows the assassin is the pharaoh now!
That's right it is I The people are correct
I will meet with Princess Ankesen and request her to take a nice stroll with me

Yes... It will be rather interesting to see those people.
You would like to see the ring-leader of the riot punished...
Go to the prisoner village...?
A riot!?
That riot will be interesting! Who is this ringleader?
Yes... It is strange that you do not know that
To that extent, I do not know. the news only came to the imperial court only some time ago
Pharaoh Sneferu, I can say the riot is an opposition towards you. and yet...

Anyways, this ring-leader? I don't think he is any different then the normal people
What is this "opposition"!? No way, those people should be fearing ME instead, don't you think?
At that time, I think I was unlucky that I didn't kill you.
Esteria's prince, Sariokis!
You wait!
Ankesen commited treason. How was she not punished?
Well now, the Esterian people will look before their eyes...
With your whip wound and my name branded on your body!
That rascals execution will be on display,

Let me take you before I arrest you! Hurry!
COME ON!
gallop
I won't permit this, pharaoh!
Pharaoh! It is dangerous by yourself!
P-Pharaoh Sneferu!
W-What now!?
Waa-!
Out of the way, out of the way, before you die of getting runned over!
HYAAA!

What will you go?
Isn't Prince Sario in that prisoner village?
It's Pharaoh Sneferu!
Pharaoh!? Right here
Pharaohh, I don't want to go to this dangerous prisoner villageee!
ガラララッ
GAHH once again!
Dammit, Sneferu What the hell are you doing!?
Yea that's right, I know that Sario is over there
トトト
I came to see the riot s ring leader's face!
Thus is the Pharaoh!
What?
O p e n u p!
Pharaoh Sneferu is coming! Open up the path!!

Damn curs—
He is dead.
Show me to this ring-leader!

Izaye killed Sario and Sario was prey to the wolf!
Sario!? Sario died!?
Sario died
Who was the ring-leader!? Answer me now!
Sneferu, you killed him!
For the sake of us, he died smiling.
Sario did not forget us
Remember this forever, Sneferu!
As long as you live we will resist you!
WHO IS THIS RING-LEADER!
I command you to tell me of his name!

That man died... but is Esteria's prince still living...?
The ringleader died!? Was Esteria's prince the ringleader of the riot!? He died!?
IZAYE! Where-ever did you go!?
Idiot
I took care of the ringleader and fed his corpse to the wolf *
That can not be true!
That is a selfish thing! Is it a small thing to keep him alive!?
For the sake of what!
That man's social position is of that a prince. Was this not revealed to the slaves!?
Esteria's prince lives in a neighbouring country!
Hurry for Esteria!!
He lives!
オーオーオー

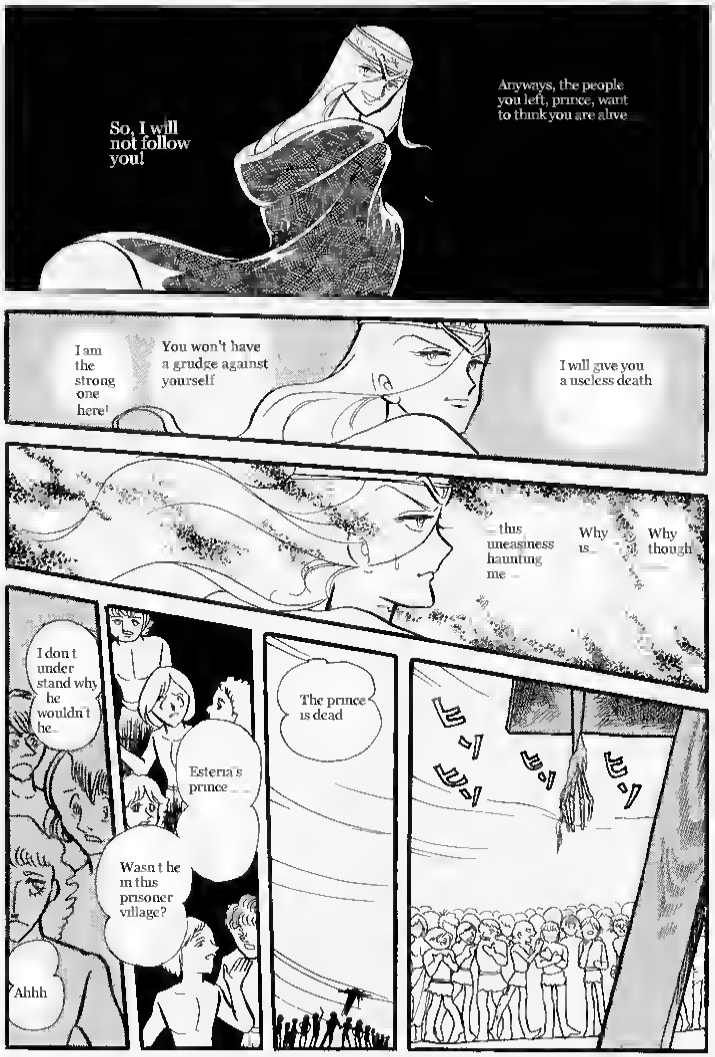
*Which he means Anubis probably

Please, pharaoh it is dangerous! We must withdraw!
KYAAA
キャアアア!
Why didn't he reveal his social status? For the sake of those curs?!
Did he not die in vain!?
Grrrahh! Let me go!
Push the selfish pharaoh out!
Faster, faster!
Drive out that pharaoh! Drive him out!!
I won't forget you.
Sario— My prince!

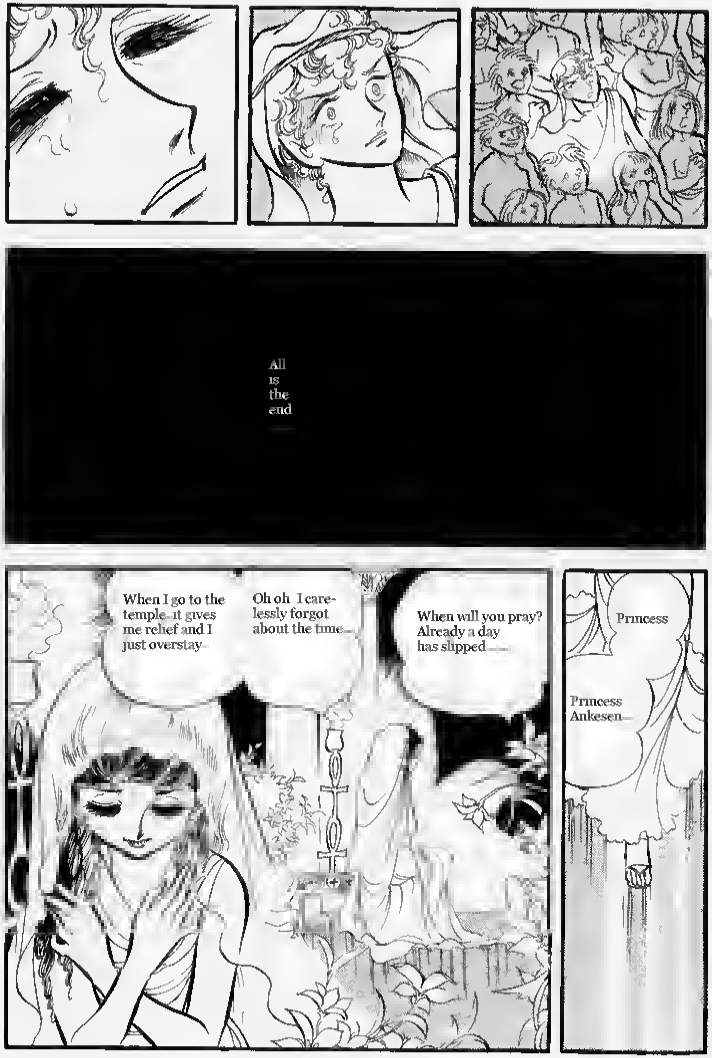
Are you not hurt Pharaoh? Princess?
Ankesen! ...For what are your tears...
I am fine.
I am fine
Sario's sake?
Everyone turns their backs to Pharaoh Sneferu for a reason
That person must have been whole-hearted figure and moved the slaves
That person must have left a radiance to those slaves eyes
Why are there tears ?
Oh oh Why am I crying

Wait Izaye
Pharaoh Please allow me to go back.
I must rest
His bones!?
ギクッ
Put the ring leader's bones right here at once!
But what bones, you say!?
Undress him and pull a loincloth over his upper body Due to his treason he gets third degree death penalty!

Hmph! I will reveal the prince's social status!
Attach my name plate to that Esterian ruler's bones to insult him.
This rebel sets a bad example to the others, which they must not do.
We exposed another person's bones and pretended it as the prince's. The rumour of Esteria's prince living will surely dissapear soon
Bravo pharaoh
Esteria's Royal Family's Second Prince: Saroku's Execution was here. This person caused the discontinuation of Esteria's Royal Family
Urjna's Pharaoh Sneferu
Well then I will be here.
You are haughty and boast of your lovely appearance. With these people they want someone who has power to govern
Pharaoh!
Am I truly appropriate to be called on by the Sun Pharaoh?



So, I will not follow you!
Anyways, the people you left, prince, want to think you are alive
I am the strong one here!
You won't have a grudge against yourself
I will give you a useless death
thus uneasiness haunting me
Why is it
Why though
I don't understand why he wouldn't he
Esteria's prince
Wasn't he in this prisoner village?
Ahhh
The prince is dead



All

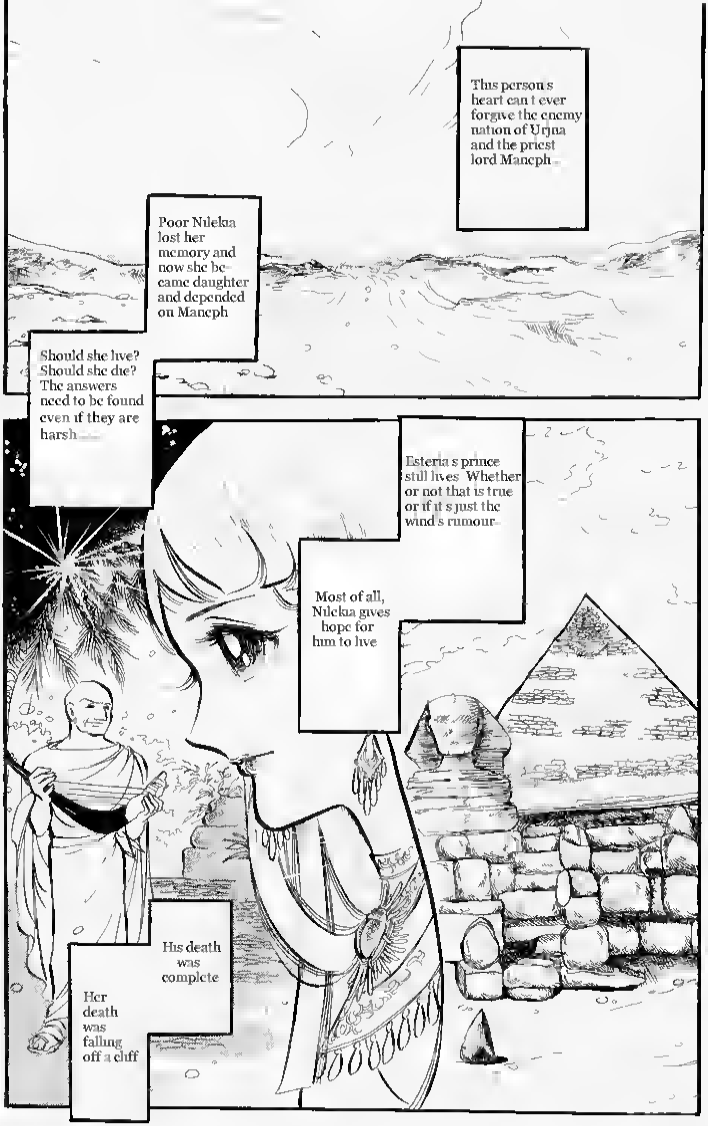
the
end
When I go to the temple...it gives me relief and I just overstay...
Oh oh I carelessly forgot about the time...
When will you pray? Already a day has slipped...
Princess
Princess Ankesen...

KYAAAA ! Princess a young girl!
And that young man is called Sario...
Look over there ... That is where Esteria's prince's remains are exposed.
Though still a child..... Who is that that prays zealously?
Who is it!?
Oh get a doctor!

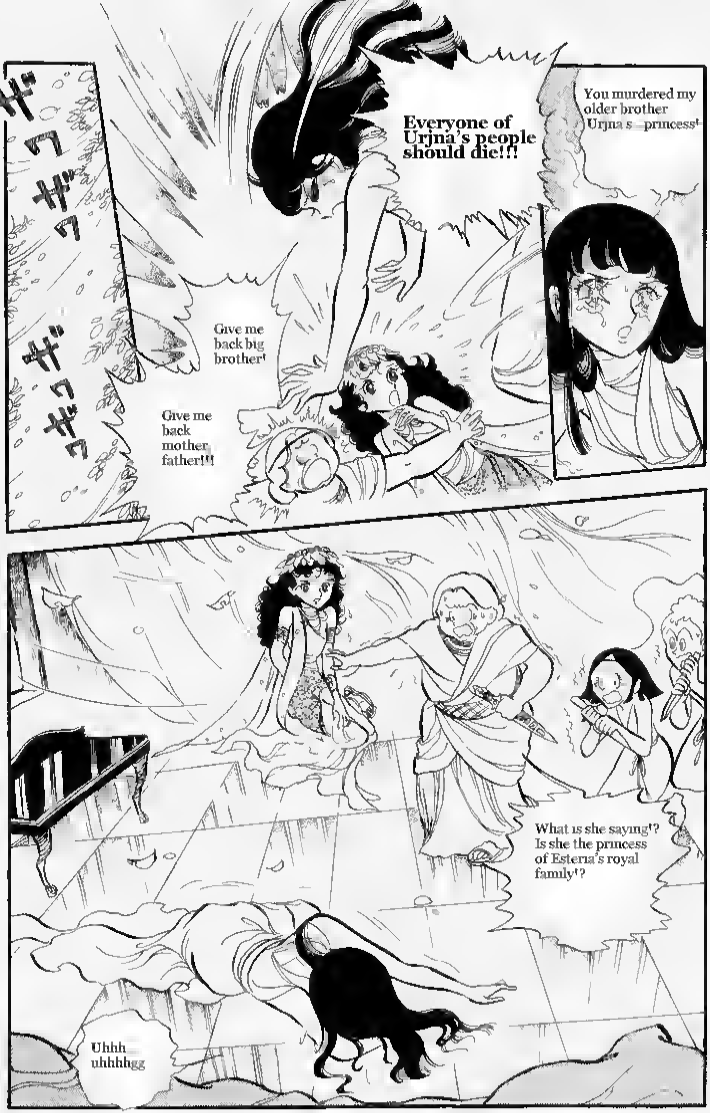
Esteria's prince Sariolus died and various ramnifications were thrown at people
For one his sister Princess Nilekia
Still, she was only a twelve year old girl, but she held on to all faith in her heart
Hurry with the doctor!!
You stay strong!



This person s heart can t ever forgive the enemy nation of Urjna and the priest lord Manceph
Poor Nilekia lost her memory and now she became daughter and depended on Manceph
Should she live? Should she die? The answers need to be found even if they are harsh
Esteria s prince still lives Whether or not that is true or if it s just the wind s rumour
Most of all, Nilekia gives hope for him to live
His death was complete
Her death was falling off a cliff

The doctor was good and quick at giving medical care
She must eat well to sleep well later
Well? How is her health?
Ah princess!
Well that is a good thing. Her body will be under supervision?
Such standards!
I can't say, I haven't seen her yet
I wonder what noble she is daughter of?
Judging from seeing her, she doesn't look to be of noble birth but wears first class clothes, huh!?
You ladies gossip into each other ears like sparrows
However, I do wonder if she is a noble person as well
Princess, she is A-BSOLUTE-LY NOT a noble woman from this country!

NO! Noo, don't come near me!!
Leave me alone!
Leave me alone!
That one girl over there
Maid
That girl?
Waaaaaaaaaaaaaa!!
You are
Princess please do something and stop her from crying!



ガクガクガクガク
Everyone of Urjna's people should die!!!
You murdered my older brother Urjna s—princess!
Give me back big brother!
Give me back mother, father!!!
What is she saying!? Is she the princess of Esteria's royal family!?
Uhhh... uhhhhgg

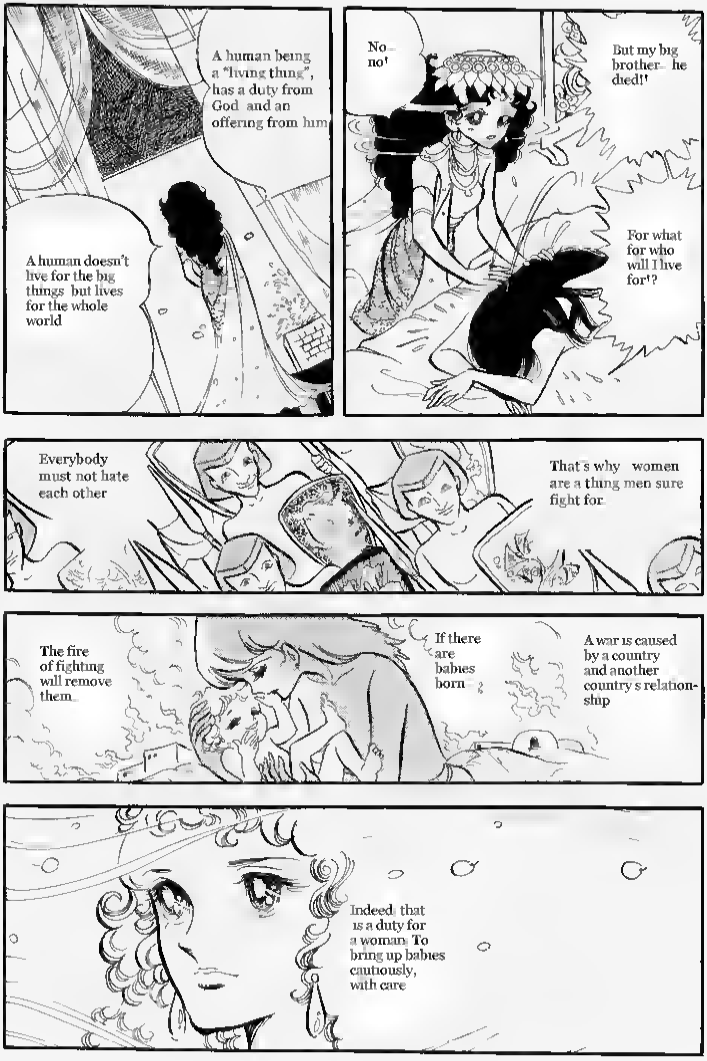
Do seize her! Watch what she is doing! Seize her!
S...
Ah... ah...
"spit"
Take her to the castle s deep_dark temple!
That child should be put in jail. Also she should have a label carved onto her body and confess her mistakes!
Princess, she is dangerous! She should be punished!
I must ask you this.
Stop doing this! It is terrible!
Maid maid!!
If someone doesn't deal with this traitor, I will!
She showed her back to us — showed us who she really is

Did you murder hm!? I just I just—
Dear brother was pilloried, wasn t he?!
Your name, what do they call you? Daughter of Esteria—
.....
But how did it happen? You cried and waited for a person?
But don't you see that a person is looking out for you, giving you kindness doesn't care about whatever your social status is?
This person didn t do any crime! This person
Stop it!
.....
Your caretaker would be dead with capital punishment by now

Isn t Maneph, our master, rivaled in power with Prime Minister Kes!?
Lord Maneph!
Whaat !?
Priest Maneph
That person s name is
Please understand that Priest Maneph is doing a good thing for you
Yes So you are looked after by Priest Maneph
Esterian daughter
SHH!
Huh! She is from our enemy's country and she is being sheltered! How is that a good thing!?
Well it is a very good thing for her
Do you understand?

Together, we are woman
Men go to the battlefield to protect their woman
For the sake of this country and other countries we are made to marry
And I hear that some woman sell their bodies just to live

But he also worries about his wife
Even my husband has only troubles
That is very right
ヒー
グス
If my lover failed on the battlefield he would die
Man controls fate with sorrow
We all have something in common we grieve and wait
You are called a girl
For this reason stay strong proud
To live Don't you think so?
Princess Ankesen!!



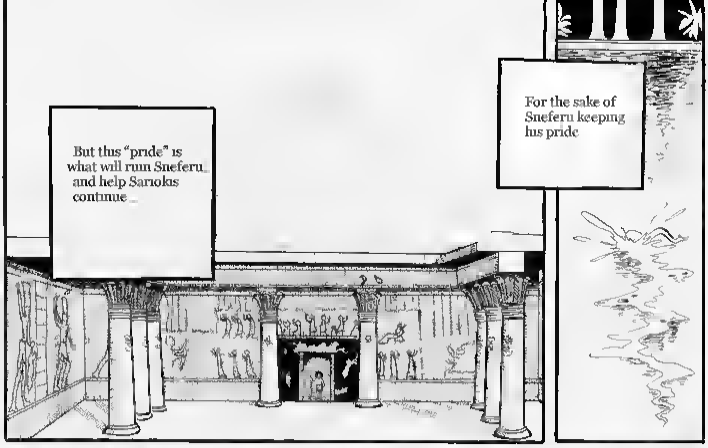
A human being a "living thing", has a duty from God and an offering from him
A human doesn't live for the big things but lives for the whole world
No— no!
But my big brother— he died!!
For what for who will I live for!?
Everybody must not hate each other
That's why women are a thing men sure fight for
The fire of fighting will remove them
If there are babies born—
A war is caused by a country and another country's relationship
Indeed that is a duty for a woman. To bring up babies cautiously, with care

For Ankesen, she will have a political marriage with the dreadful Pharaoh Sneferu
What a pity huh...
But princess... where this girl came from would be learned of and then spread out...
This girl came to her country's enemy country... It would be too cold not to help her...
Ankesen's father, Prime Minister Kes has the power to decide that Ankesen becomes the queen of Urna...
Here is another ramification
... But Ankesen's heart is toward Prince Sariokas Unfortunately, he was branded and died a Slave Sario...

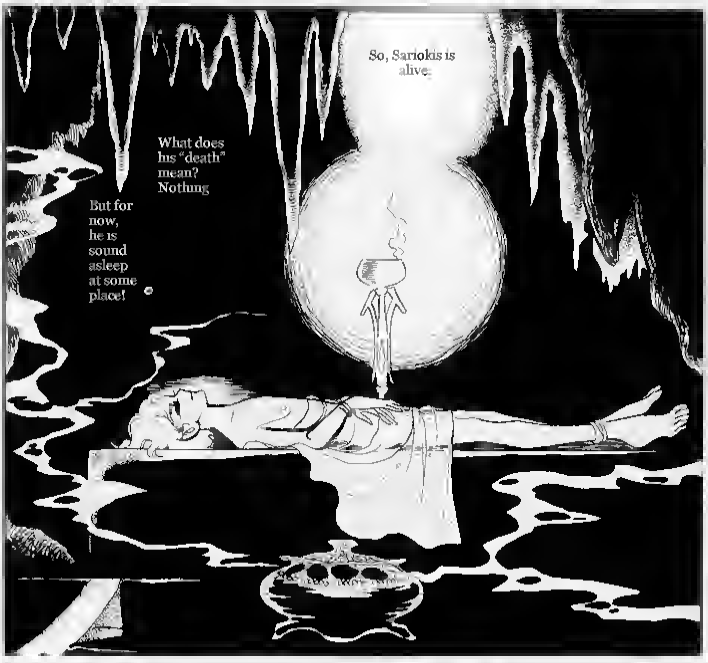
But truly Sario was Prince Sariokis something that was unknown to Arkesen
Too noble was the slave Sario...
Would you please give me your name?
Sario... You
Did you die for this girl?
To comfort this girl, for you died for...?
I am called Nilekia
Thank you Nilekia. Well then let us give hope
Hope?

T... that's...
There was a plaza and one of the slaves was exposed to the public
Your brother was that slave
Your brother was ringleader of the riot and died as a slave...
It was the talk of the city For the sake of Pharaoh Sneferu your brother was removed...
Sario...
Oh... oh...
Ohh
Ohh!!

I want you all to digest this...and have a kind soul and to understand this girl's feelings...
That being so...do all understand?
Oh Big brother big brother!
All of us will never by no means reveal her secret!
Yes we understand Princess Ankesen!
And now, another ripple that will gradually get larger
Urjna's ruler Pharaoh Sneferu Inside his heart will spread...



But thus "pride" is what will run Sneferu, and help Sariokus continue...
For the sake of Sneferu keeping his pride



So, Sariokus is alive...
What does his "death" mean? Nothing
But for now, he is sound asleep at some place!

Here, under the Nile, is a lime cavern...
Lime liquid becomes a disinfectant, while the burns become an ointment.
Well then, hag, you are making the medicine here?
Yes, yes
He probably won't die?
No, of course he won't, he won't. Feh feh feh.....

Good good it is packed
You and I should go to sleep after this is finished
Walk over here softly
The incense's fumes are whirling up
I boiled this and I will give it to him to swallow Inside the incense fumes will put him to sleep He'll continue to sleep forever
It is called Costari incense
The incense is made from the root of the plant, Costari
Feh feh feh, no need for your flattery, Izaye.
I see It is good you showed old one because the crowd would have not relaxed if I didn't hide Sario somewhere else

Here is some mocha.....
By the way
He hate that stuff!
WAIT! That's medicine!
I thank you for making me live in your town so far.
Hag!
Y-your Pabt!
Who's there!?

Old woman when I went to go cleanse my body, that guy arrived!
At the entrance were two people... you two!
That s correct! I'm the orphan Pabi!
I've decided that I've been troubled by that guy all along!
Therefore... I am aware you guys are here!
I don t understand how you got here
There are dozens of paths in this lime cave
Brat!
What kind of person do you think this man is? He full fledged the prince of Esteria s royal family!
BLEHHHHH

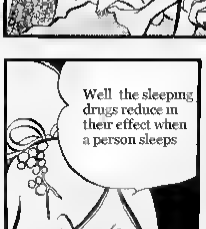
Pabi!
I am abandoned child so therefore I don t have an old man!
And since three BANDITS came around!
Something like that is astonishing to Miss Pabi!
Strange, now your acting like a father
I don t remember being a bandit!
Damn! I brought her up and yet she now forgets all the favours I did for her!
Well well well
Catch and punish her! Take her to your place!
Yea, yea I will
きゃはははは
KYHAHAHAHAHAHA

Now, back to work, nya
Hm?
How much pain can you take from me slapping your tail? You should go from this place
Both your shadows are this and that!
Don't interfere with me, my boy!
The p-prince is gone!
FEH!
Young woman, don't speak.
Ah
Ah
Ah
Ah
EEK!

KYAAAAAAU!
ヒッ
PABII! Are you over there!?
No I am not. but that s because I am half clothed, kyaa
I'm so happy
Are you good with this dagger?
Stop! We aren't your enemies!
Do not come! Just tell me the exit otherwise I will drop this young woman from here!

Throw that medicine at him and he will be completely dizzy!
Izaye! Look... throw this at them.
That is natural for what you did.
Did you not give me severe whips!?
Then you're my ally?
!
Waa..
You don't hafta to say it!
Pabi! Those two are flying in the air!

Dumbo
Aren't you lovelyy... my prince!



Well the sleeping drugs reduce in their effect when a person sleeps

?
But why did he wake up... Didn't I give him a stimulant to drink...?

COME AGAINNN? How is that? Huh? You stupid child!
What!? Stupid child!? Where is your love for a orphan child!
ear

Hahahaha my shrilly, super sonic voice is certain to kill!

ポー!
ポー!
Nice catch, papa!
What do you mean "papa"!?

Wow. prince
He is awake again!
W-what kind of intention is this ...? Rescuing me? ... Why!?
You can struggle and wriggle, but you'll never escape
That slave village has a secret cave here
Intention? There is none As from what I heard, you are just a prince that threw his life away for slaves
Mm, my interest is small now
But it was good that I gave the slaves peace
Your body will be dyed in blood for the heart of Anubis
That is why I hit you with the ridge of the axe and you lost consciousness

Maybe your true nature will be exposed. Might be surprising
Pharaoh Sneferu wants Esteria's prince to be erased
Not at all. How dare you do the things that you had done. Esteria's prince
Your subjects are in some place... If they heard this they certainly would be dissappointed... feh feh
I can decide whenever I want to kill you...
So... as long as I am here
I won't let you go. You stay here. Or are you ungrateful that I spared your life?
G...get me out side! Get me out!

ぎく!
キ…
Prince Sariokis
From the wicked eyes of Sneferu himself, I am a subordinate for him so I must put you to shame!
Don't touch me! I don't want to be disgraced by you!

A person dies for other people. That's how much people usually think about it
It's very simple to give up your life and title as a prince. You should be ashamed, feh feh

To save people you need to save yourself too. Think about it, ruler.
Feh feh, think, Egypt's pharaoh.

His appearance is fascinating isn't it!!
Ahh, it is indeed! Your head is so hollow though, your highness Sariokis!
Die...!

Hawk of the desert!?
Yes thunk about it. Hawk of the desert...
Fehfehfehfeh, that is one of the bandits commercial laws ... fehfeh fehfeh
The two are both said to be clever, however
One of two is only chosen as that idiot. You don't belong to us friend
Anyhow
An obstinate person like you should get out from here ....

Well this lime cave does have dozens of path ways — feh feh feh
"Your Highness" Sarnoks if you disobey and try to leave from here, Pabi will kill you
Pabi! For awhile, I will put this prince in your hands to take care of
ヤ
A hawk!?
?
?
!?
You—you're awfully cute, aren't you?
Ufufufu
You have something sofisticated about you My papa doesn't have that!

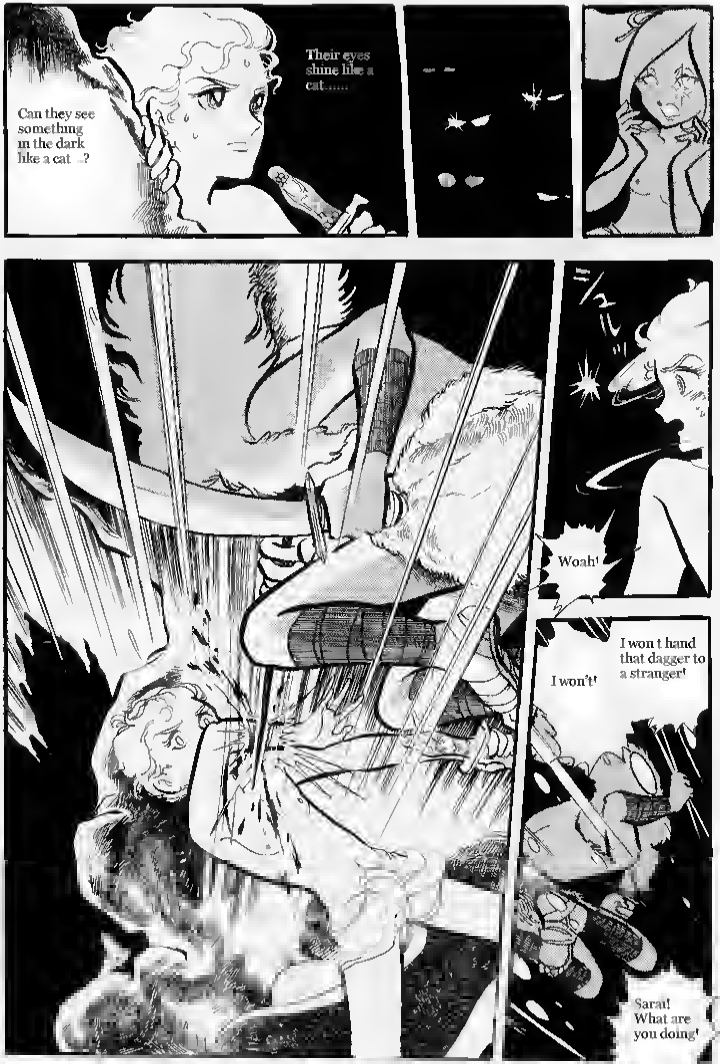
Who in the world is this person — an ally or an enemy? Which one!?
Ufufufufun
Uh-huhn!
Feh feh feh...
Besides..... what is this hawk of desert!?
That is...
キャー
That man...
That's the "Hawk of the Desert"!?

One person...
Two people...
About five people...?
Someone is up there...
Are you determined to take the role as my husband?
On what business do they want to see my dead body?
If you untie me quickly! You'll regret it if you don't!
Pah I wonder if she could untie this knot?
Quick!
ポチャン
ポチャン

Toh!
The sword!

カミソル!
ビシ!
What an amazing voice_!
ヒョウ!
His voice was like an order
Hawk Sword!
The Hawk Sword!
Pay attention to the Hawk Sword,...
Hawk Sword?
Thus thing ?

"We are followers of the hawk and respect him."
"The Hawk of the northern desert controls it*"
Who is the person that draws that sword out...
Hmph. That dagger can't fall to you...
Is this guy a hawk? Lets start a trial to decide...
Becareful with your mouth, Sara!
You, a child...can't do anything anyway!
"Occasionaly the darkness of hell comes."
"We are friends with it."



Can they see something in the dark like a cat ...?
Their eyes shine like a cat.....
Woah!
I won't!
I won't hand that dagger to a stranger!
Sarai! What are you doing!

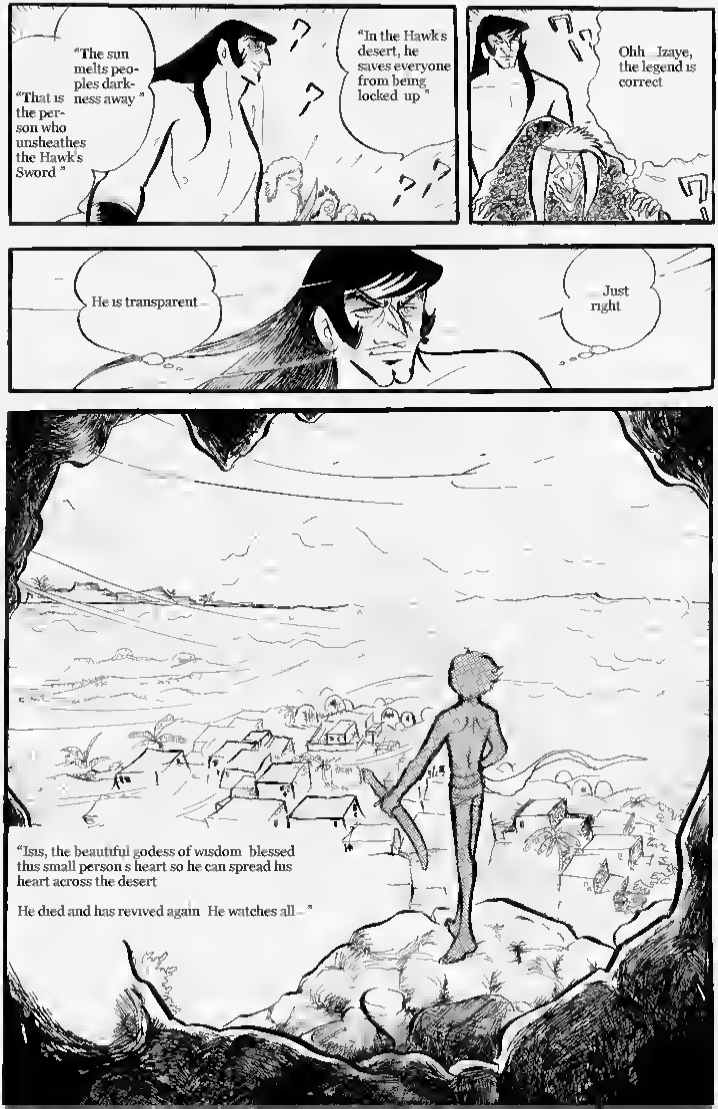
Pain ful—!
Hmph! You avoided it, but it hit your right arm. You carry your dagger in the right arm!
KYAA !
I, I won't take this from anyone!
Why!? Why do I always receive wounds like this!?
If only I lived-
I live for a world that isn't here anymore—
The coward Sarai will hit again!!

What a strange dagger...!
I do not need to unsheath it!
It swings so much...as if I am used to it.
But even with this dagger, I still couldn't defeat this man.
Nothing scares me now
Hu...huh... or am I dead already?
Or will I be lucky at the end?
In other words, I will die?
Can't defeat him...

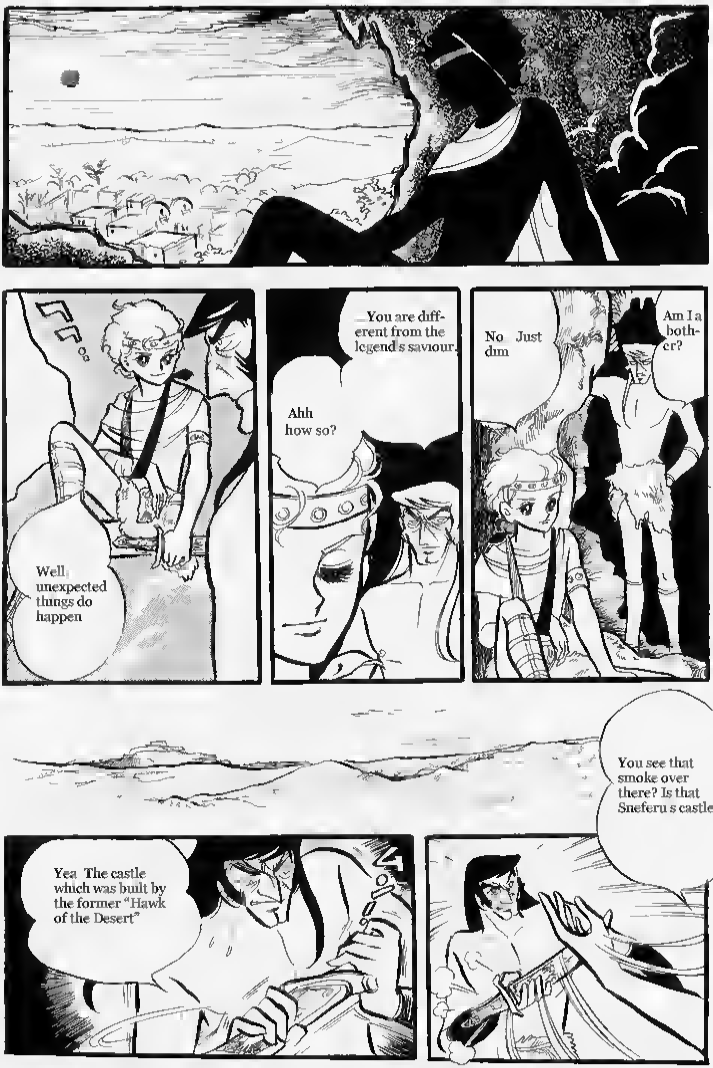
It is very strange...
Huffing and pacing. Swords that cut into the emptiness.
Sarai had us as brave warriors. That boy can t win unless he truly is the "Hawk"
That guy can he fight in the dark?
This will benefit me for the final outcome
This cave's air is clear
Look out!
YOU .....
IYAAAAAAAA!

My sword, which shines blue within it's scabbard...
Come out all...!
Well then let's celebrate! The hawk appeared!
The skies lights have opened! Let there be light in this cave!
Let the person who is down here come up!
The Hawk Sword!

I give you all a sword!
"We are all followers of you, the hawk! We respect you!"
"The Hawk is now the next ruler of the desert!!"
Well the hawk appeared



"That is the person who unsheathes the Hawk's Sword"
"The sun melts peoples darkness away"
"In the Hawk's desert, he saves everyone from being locked up"
Ohh... Izaye, the legend is correct
He is transparent...
...Just right
"Isis, the beautiful godess of wisdom blessed this small person's heart so he can spread his heart across the desert
He died and has revived again. He watches all..."



Well, unexpected things do happen
Ahh how so?
—You are different from the legend's saviour.
No Just dim
Am I a bother?
You see that smoke over there? Is that Sneferu s castle?
Yea The castle which was built by the former "Hawk of the Desert"

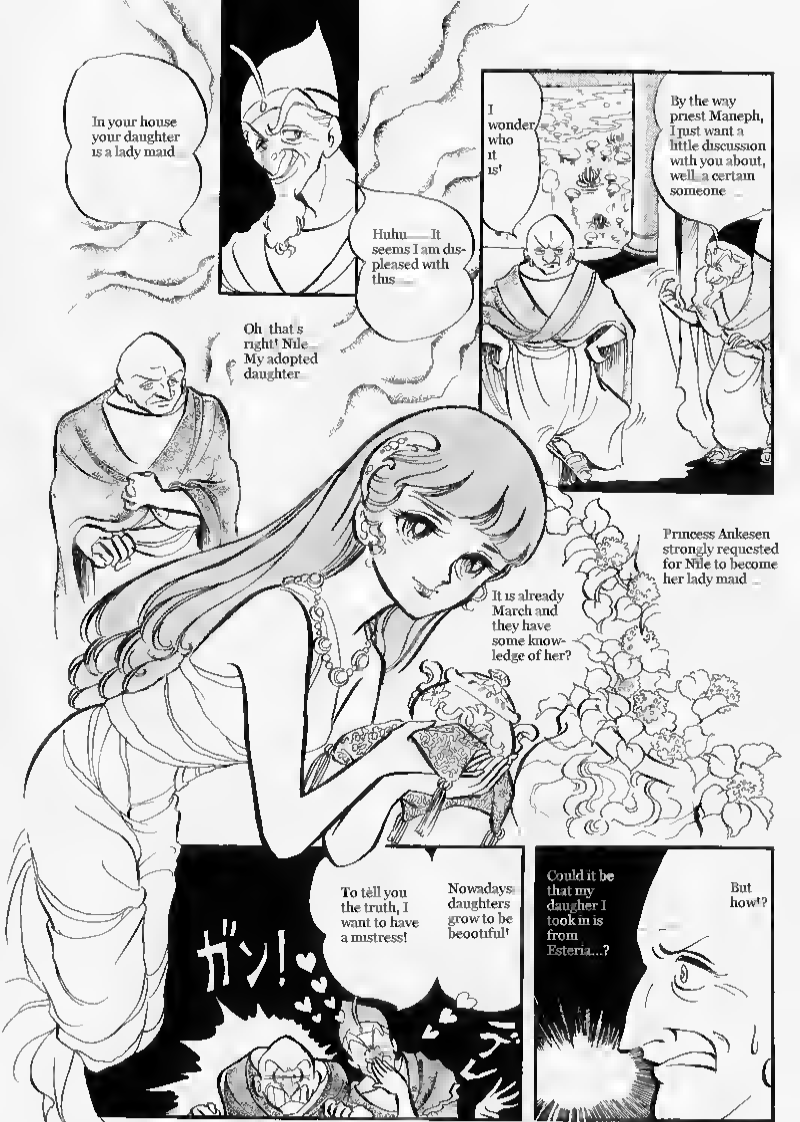
The former ruler's castle...?
That is Sneferu's father
Didn't come out for me
I believe a man: Whuch might have been "Hawk of the Desert". He crossed over a sandstorm with a friend
No, but
Could he pull the sword out too?!
Our people only permit the "Hawk" to rule
But for the former ruler's child Sneferu, he is not the "Hawk" and we don't want to be ruled by him
For Sneferu he has a lot of misfortune is this village
.....
This is my village, here I moved in authority
No wrong!
But here the village is under control by Sneferu

Have this ring while I try to pull the sword out again
Izaye
From now on, this village will be under your rule
Now...I will try to exchange this ring to accept fate...
No
Here!
The legend's Hawk
Clearly, he has blood of a ruler, for certain
You knew this whole mechanism of the ring, so you handed me this sword?

LE PAIN AU NATUREL

WHAT!?
The tax wasn't collected!?
Thirty five semuts is unreasonable for them. Impertinent town. Fifty semuts would be good
Lets see, next on our agenda is...
Demanding taxes from the Mula tribe
But pharaoh! Their town is close to being in ruins!
ふふん
Well I don't see anything wrong. There tax will be fifty semuts now...and they mustn't lack in one drachm!
Their bill exceeds thirty five semuts, but they won't pay. Their appeal was sent from their town.
Chapter 7
The heart that drifts
Pharaoh!!
Excuse me please
Well besides, wasn't this the agenda? If not, then the meeting is over with.

You nag me. Remember that I am the pharaoh and my commands are absolute
Lord Maneph
Move poorly and my snake will bite you
Yes
What you want to say is that all of the pharaoh's vassals are snakes!
What's this Priest Maneph? The way you speak.
The pharaoh is the one that needs to becareful with his snakes
The bastard he is only a servant but uses the pharaoh for power!
I do want to tell him that! So I can guide him the right way



In your house your daughter is a lady maid
Huhu——It seems I am displeased with this
I wonder who it is!
By the way priest Maneph, I just want a little discussion with you about, well a certain someone
Oh that's right! Nile My adopted daughter
Princess Ankesen strongly requested for Nile to become her lady maid
It is already March and they have some knowledge of her?
To tell you the truth, I want to have a mistress!
Nowadays daughters grow to be beautiful!
ガン!
Could it be that my daugher I took in is from Esteria...?
But how!?

*A Mistress —— Without a man marrying her, this type of woman still acts like a wife (Letlky Takenuya Keiko)

Stop now!
Never again say such lewdness!
Now go. I don't want to see you anymore!
Ohh. I understand that! It's OK if she is still innocent!
My daughter has yet to become thirteen—
Wonderful!~ I wonder if your toosties are smooth too!
Your milky white skin is so good! Your obsidian eyes are too good!
Uuuh
*Toots: ex. feet
Sexual maniac
Y...y...you can't take any kind of discussion
HA-CH-OO-O!
カシャーン!!

I heard that it is
true that an
execution comes
to hand once a
day!
Ho-

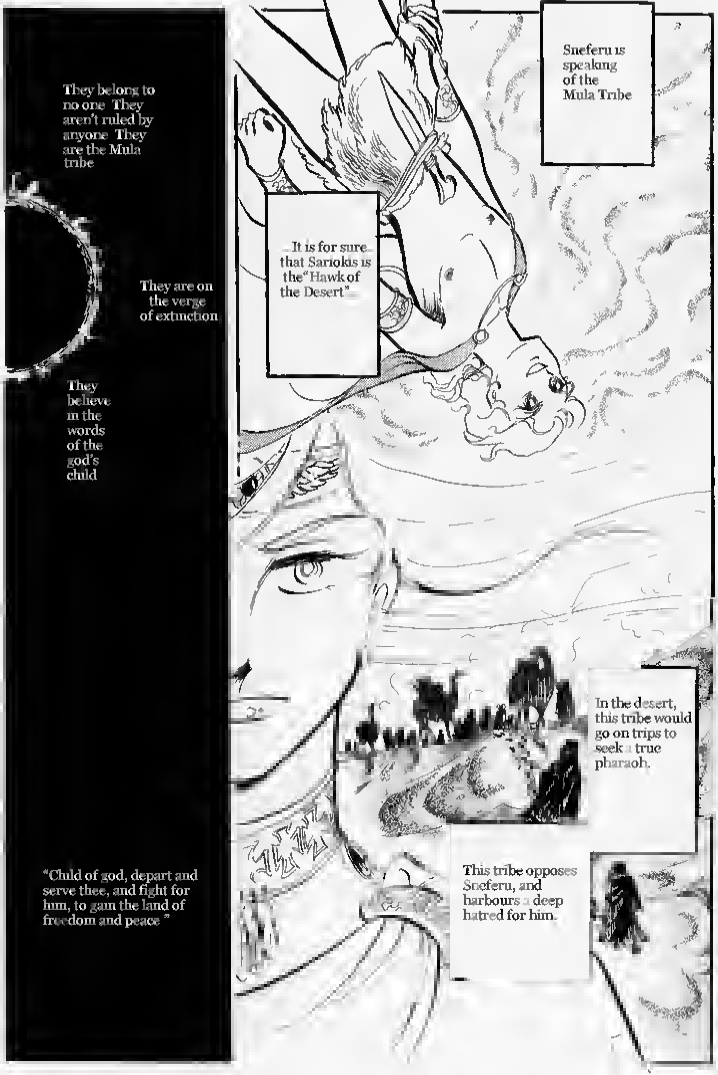
Turn your back.
And see that you
should be sorry
!!

Oh –
OH!
No more…no more…kill me
It's the beautiful boy's time of death. Its cruel to show
With your family's weapon in my hand murdering you will be alright
He's charming. One of my pages. He'll be your younger brother soon though
I will pierce the boys penis!
But it won't be interesting once Hell's Devil King embraces my page so…
Provided that I pierce his beautiful heart

Ra... give punishment to this pharaoh! Give him punishment!

ドン!
Mother
Because I am the pharaoh! Ra's child!
...Ra!? Your foolish to seek help from Ra...
Yeah... I know that!
The man died too ...on the other side of the stick...
Yes
Quickly ...get rid of those things. They are an unpleasant sight.
...Really uncouth!
The Mula tribe is always for long battles
Mula tribe... How long will you breathe?!
Those two were brothers



They belong to no one. They aren't ruled by anyone. They are the Mula tribe
They are on the verge of extinction
They believe in the words of the god's child
"Child of god, depart and serve thee, and fight for him, to gain the land of freedom and peace."
Sneferu is speaking of the Mula Tribe
...It is for sure that Sariokis is the "Hawk of the Desert"...
In the desert, this tribe would go on trips to seek a true pharaoh.
This tribe opposes Sneferu, and harbours a deep hatred for him.

In those days Sneferu's father Khafra the third ruler of Urjna was met with great vigour
The long haured Mula tribe hastened to join the ruler of Urjna. But four years later, Pharaoh Khafra met his deathbed
It was said that his son assassinated him
So the Mula tribe turned their back against Sneferu
And now!
A new "Hawk of the Desert" appears before them!
However, Sneferu is suspicious about Sariokis death
Sariokis personally has the "Hawk" sword. He has become the legendnary ruler. And to his advantage, he has started to train himself
But he never wants to know!
I gave that palace to Ankesen as an engagement gift
—The Lapis Lazuh Palace— It is of that name because of the blue light And lapis lazuh as decor—

She flatters me not one bit...
Even though we are similar in a way...
Was it a little too luxurious for that conceited woman?
Haha ha I do not think she knows that I let her come and go freely
But today, I will catch you and then do you! For sure, Ankesen!
You depend on other people for kindness
I'm not interested in you
So in that situation just honour your ruler alot
シャ!!
Princess Miss Nile isn t here

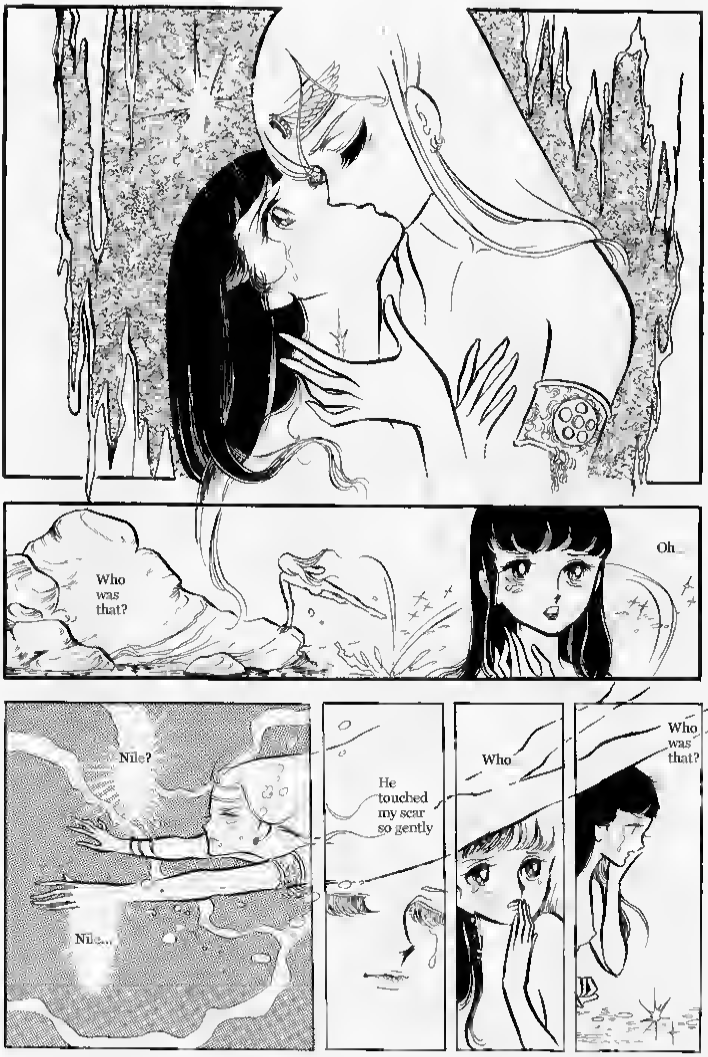
Would you like for me to invite her?
Really— She bathes in a different place again Why does she?
Oh, no! It's fine. I will leave her be
Ankesen is worried about the scar on Nilekia's neck!
Yes, she has a scar on her neck.

AAH!
Oh no! She isn't Ankesen!

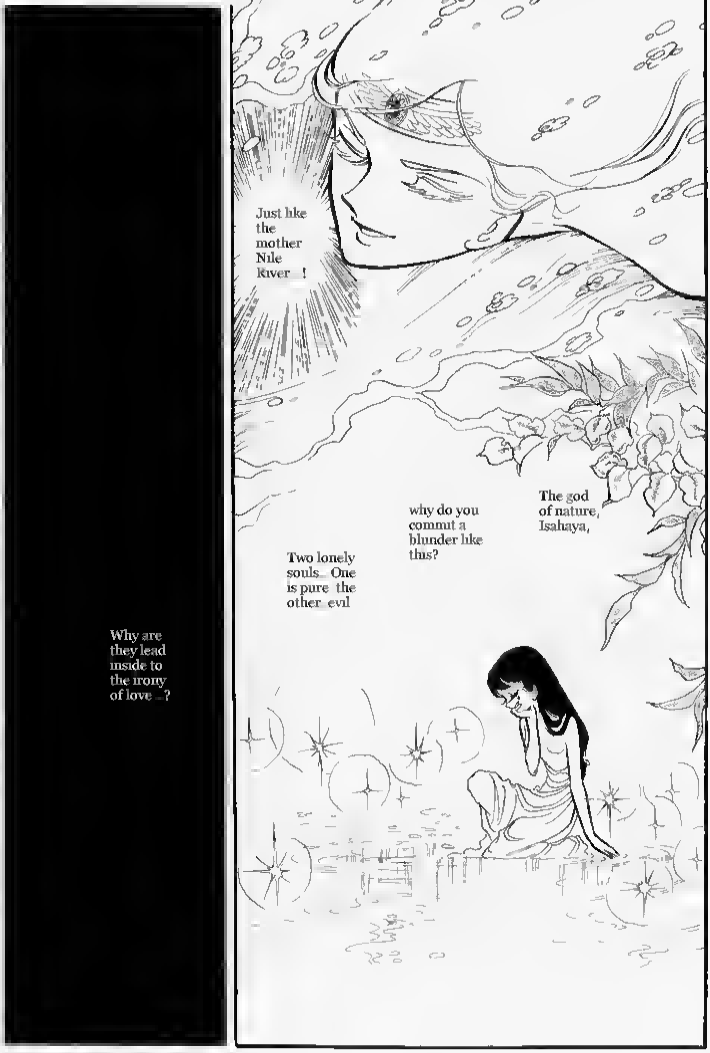
In an instant,
their hearts
are connected

These two were met by fate...

Nile
Your name...



Who was that?
Oh...
Nile?
Nile...
He touched my scar so gently
Who
Who was that?



Just like the mother Nile River...!
The god of nature, Isahaya,
why do you commit a blunder like this?
Two lonely souls... One is pure the other evil
Why are they lead inside to the irony of love...?
